

## Balloon Tennis!

### **Supplies:**

1. Balloon – supplied by the library
2. 2 paper plates – supplied by the library
3. 4 popsicle sticks – supplied by the library
4. markers, crayons, or pencil crayons
5. Scissors
6. Glue Gun (or tape)

### **Steps:**

1. Use your choice of media to draw and color a design on your plate
2. Ask a parent for help to glue the popsicle sticks to the bottom of your plate, one on each side and voila... you have a tennis racket!
3. While your racket is drying, you can blow up the balloon.
4. With a partner, simply hit the balloon back and forth with your racket... try not to let the balloon touch the ground!
