

Creating GIANT Bubbles!

Bubble Solution Supplies:

1. 6 Cups Water
2. 1/2 cup Dawn Dish Soap (blue) - supplied by the library
3. 1/2 cup Cornstarch - supplied by the library
4. 1 TBSP Baking Powder - supplied by the library
5. 1 TBSP Glycerin (liquid) - supplied by the library
6. A Pail or bucket

Bubble wand supplies:

1. 2 sticks
2. 1 m of purple string - supplied by the library
3. 1.2 m of yellow string – supplied by the library
4. Tape

(You can use 2 straws too)

Steps:

1. Place the 2 sticks on the grass, 1 meter apart. Lay your string across the top of the sticks. Leave 1.2 meters of string hanging down. See photo.
2. Using your tape, tape the string really good to the sticks.
3. Slowly add each of the ingredients above into a bucket (the wider the better). Once everything has been added **slowly** stir ingredients together – you don't want it to bubble up.
4. Completely submerge the string in the bubble solution, and then lift up slowly. Open your arms move forward or backwards slowly.
