

Paper Plate Tic Tac Toe!

Supplies:

1. Paper Plates x 8 – supplied by the library
2. Colored tape, masking tape or painters tape
3. Markers

Steps:

1. On the floor, lay down a tic-tac-toe grid using your tape.
2. Make a large "X" on the back of five of the paper plates and a large "O" on the back of the other five (use your markers for this).
3. Players take turn putting their plates in the grid trying to get 3 of their plates (either X or O) in a row. If you get 3 of yours in a row, you win!

Challenge a parent, they don't like losing!
